Vets Welfare Body Seeking County's Help

Questionnaire Will Be Circulated For Data

U. S. COMPROMISE

Powerful Soldiers' Bloc Fighting Economies

San Mateo county's united veterans welfare committee in San Mateo Tuesday mapped plans for a survey of all San Mateo county veterans now receiving pension or compensation from the federal government, who will need county aid when the economy program which goes into effect July 1, reduces or eliminates entirely their financial aid from the government.

The program was drawn by representatives of all veteran organizations and other members of the committee, which is headed by Capt. Edward Macauley, director of unemployment relief in the county. A questionnaire was drafted by the committee and will be distributed to men, who will require aid, through the various veteran organizations. Proivisions also were made for reaching veterans, who are not members of any organization.

This questionnaire, if properly filled out by the veteran who is going to need county help after his federal relief is cut, will supply the committee with enough information to make an estimate as to just about what amount will be needed. This information will be presented to the board of supervisors, when it meets to draft the budget for next year.

The committee said that these questioniaires when filled out, will be held in strict confidence. Members urged that only those men whose compensation will be reduced to the point where they will need county help, answer the questions and turn them in. Veterans not drawing compensation from the government will not be concerned with the questionnaire at this time, the committee said.

The idea now is, the committee explained, to make a quick and thorough survey of compensation or pension drawing veterans, who are to suffer under the federal program to the extent they will be in need, and present the supervisors with a request to provide for them.

Percy Long Takes Over Grocery Firm

Percy E. Long, a member of the grocery firm of Stafford Long for the laast 12 years, Saturday announced that he has taken over the business and it will hereafter be operated under his own name.

The business, which was originated in 1875, is in its 58th year and is one of the oldest institutions in Redwood City.

Mr. Long has stocked the store with completely new merchandise, all of well-known brands. The store has been re-modeled and will be operated on the basis of low cash prices.

Delivery service will be maintained. The store is located at 2388 Broadway, near Winslow street.

$50,000 Estate Is Left by Late David M. Flynn

David M. Flynn, former Redwood City business man and more recently in the automobile business in San Francisco, left an estate of approximately $50,000, according to a petition for letters on file in San Francisco courts today.

Flynn, according to his business associate, Harry C. Meyer, left no will. Meyer is the nominee of Flynn's sisters.

The heirs are listed as Mrs. Margaret M. Stoll, Redwood City; Miss Anne M. Flynn, 1859 Fulton street; Mrs. Elizabeth Hogan, Redwood City; Mrs. Mary J. Limbaugh, 1859 Fulton street; Mrs. R. L. Stratton, 1823 Hayes street, and Mrs. Nora A. Meyer, 3733 Broderick street, the sisters, and Miss Kathleen Flynn and David Flynn, niece and nephew, of 290 Sixteenth avenue, San Francisco.

V. G. Skinner is attorney for the petitioner.

Flynn is a cousin of County Assessor Daniel P. Flynn. He died May 22.

E. H. Werder Reappointed County Buyer

Ernest H. Werder, 605 Brewster avenue, purchasing agent of San Mateo county, today was renamed to that post by Walter T. Kellogg, county-manager appointee.

Werder has held the office since August 1, 1917.

One of his most recent acts was the saving of $6000 in the county's indigent milk bill.

J. R. Eubanks, superintendent of the San Mateo County Relief Home, is reported to be seriously considering the post of director of social welfare.

Eubanks, if he accepts, would have supervision of the relief home, social service department and juvenile detention home.

Picks Secretary, Clerk

Miss Grace Goshorn, secretary to Walter T. Kellogg when he was manager of the Pacific Gas and Electric Company, will follow him in his new endeavors when he becomes county manager on July 1.

Kellogg made the announcement today of her appointment as his secretary.

Charles Ely, San Mateo, also an employe of the Pacific Gas and Electric Company, will do the clerical work in Mr. Kellogg's office.

County Manager Kellogg announced that major appointments under the charter, such as county health officer and county building inspector, will not be made for perhaps a month or two.

The manager said that no appointment will be made until the supervisors adopt building and health codes under which the appointees would function.

"I am in this job to effect economies," Kellogg said. "It would be foolish for me to appoint several $300 or $400 a month men to stand around idle until they had some authority to act," he said.

Kellogg and Chairman Manuel Francis of the board of supervisors both declared false a San Francisco newspaper story that the "Big Four" planned to fill the jobs "secretly."

Kellogg said that there will be no secrets as to the appointments and that all five members of the board will be consulted.

R. C. Man Denies Failure to Aid Ex-Wife and Son

Arthur A. Dole, 47, of Redwood City, who identified himself as a cousin of James Dole, Hawaiian pineapple king, today was held here on an indictment from Cambridge, Mass., charging non-support of his former wife, Isabel, and son, Arthur Dole Jr.

Dole secured his release from custody on $100 cash bail shortly after his arrest. Cambridge authorities were notified and word was awaited as to whether they would extradite. He lives on Eaton road.

The local man denied the charge, exhibiting receipts for money sent to his former wife, District Attorney Edmund Scott's office reported.

Eugene Cerqui Named Head of R. C. Lions Club

Eugene F. Cerqui was last night elected president of the Redwood City Lions Club for the year 1933-34 at a dinner meeting held at the Sequoia Hotel.

Cerqui was a charter member of the club when it was organized four years ago. He is associated with a San Francisco stationery firm and resides on Woodside road, Redwood City.

George McQueen was elected first vice-president. Other officers elected were Frederick W. Duttweiler, second vice-president; Neil R. Collins, secretary-treasurer; A. W. Pike, tailtwister, and Thomas W. Cutting and Louis W. Jenkins Jr., directors.

Dr. August J. Fromm is the retiring president.

Frank M'Veigh Will Head Co. 'Renovizing'

Announcement of His Appointment Made By C. C. Young

OBJECTS TOLD

Property Improvement Worth $1,125,000 Is Goal

Former Gov. C. C. Young, chairman of the San Mateo county renovizing campaign committee, today announced the appointment of Frank M. McVeigh, former manager of the Burlingame Chamber of Commerce and director of the county charter campaign, as director of the renovize campaign.

Young, in announcing McVeigh's appointment, stated: "We appreciate McVeigh's acceptance of this appointment, and we thank the Shell Oil Company, McVeigh's present employers, for donating his services as its contribution to this campaign."

Chairman Young stated that McVeigh is now completing the organization procedure and plans for the launching of the renovizing campaign which will have as its objective the inducing of property owners throughout the county to pledge improvements to their property to the extent of $1,125,000.

This campaign, Young pointed out, will mean that all lines of business will be benefited and 70 per cent of this total amount pledged will be paid by property owners to labor.

Further developments of this campaign, Young said, will be announced in a few days.

Roscoe F. Byrnes of Burlingame, managing director of the movement, addressed a meeting of the Redwood City Exchange Club in Webb's cafe at San Carlos last night in behalf of the plan. He urged the club to appoint a delegate to serve on the renovizing campaign committee.

Tanforan's New Racing Plan Pleases

Tanforan's new program of reducing the horse racing schedule there to four days a week, instead of the customary six-day card, was inaugurated this week with greatly improved results, according to officials at the track. The four-day program was adopted by J. P. Atkin, operator of the San Bruno oval during the summer meeting, for several reasons.

One of the principal reasons is Monday and Tuesday crowds at Tanforan were not all that could be desired, and the management believed a four-day program would produce better results in the way of attendance.

Another of the foremost reasons offered by Atkin is, that, with a three-day layoff, horses have more chance to rest and train, and are in better condition for racing as the result. The additional two days of rest gives stables more of an opportunity to develop the best in their horses, and consequently gives the public more spirited and faster matches, he explained.

Despite the short time the program has been in effect, Atkin said racing this week at Tanforan has shown noticeable improvement. He expected the improvement would continue, offering an increased standard of performance by the horses now stabled at the track.

Tomorrow instead of one feature there will be three, providing much better money for the best mounts to contest for, and acting as an unusual attraction for the best ones to compete. There will be one handicap for two-year olds, and two handicaps for three-year-olds and upward. R. C. MacArthur, general manager, has announced a number of improved conditions at the track.

William H. Nichols Dies at Age of 75

Friends here have learned of the recent death of William H. Nichols, formerly of Redwood City, at the home of his daughter, Mrs. William E. Stewart, in San Francisco.

Mr. Nichols, a native of Santa Cruz, spent his boyhood at Half Moon Bay and came to Redwood City later, where he was married. His widow survives him, as do a son, Henry Nichols, and two daughters in Los Angeles. He was a plumber by trade and well known to old time residents here.

Tax Burden Can Be Lifted Only by Help of Harbor

The people of San Mateo county will be called upon on June 27 to vote for a county harbor district.

The proposition should receive a large vote as by the establishment of a harbor district it would be a big step towards developing the industrial district along the bay shore of the county. Factories would be induced to come here by the low terminal rates and the wonderful shipping facilities the district affords.

The one and only possible salvation of our county from being literally destroyed by the ever-increasing cost of government with no increased source from which to secure such taxes, except from the homes of commuters, is by the development of an industrial life along the waterfront.

No matter how much self-chosen prophets may declare to the contrary, there is only one possible way in which industry can ever be developed to any extent in San Mateo county, and that is by the establishment of a deep water harbor. Such a harbor will be established either in San Mateo county or Santa Clara county. Both will not be built; but one will be built.

HARTLEY WILL CONTEST SOON TO GO TO JURY

Apparent reluctance by a foster son to swear under oath that his foster mother was in his belief incompetent and the revelation that the family lawyer declined to draft the last will of Mrs. Jennie E. Hartley because he believed she was incompetent although he continued to transact business with her for another four years, were the highlights of yesterday's trial of the Hartley will contest.

The foster son, Sidney Williams, who was taken into the Hartley home at the age of 8 years, qualified his answer under direct examination when Attorney R. Clarence Ogden, of counsel for the contestants, Dollie and Birdie Bacon and J. B. Bacon, asked him if he believed his foster mother incompetent.

"I think she was perhaps incompetent," Williams replied.

Williams did not choose to strengthen that statement when he was cross-examined by Attorney Edmund Scott, of counsel for the Bank of America, which is defending Mrs. Hartley's will.

"There was a doubt whether she was incompetent," Williams replied.

No Public Declaration

He said he himself made no public declaration of a belief in her incompetency before July, 1932, a short period before her death. This was some four years after the will now at issue was written.

When asked by Scott if he did not tell the attorney over the telephone that he did not think Mrs. Hartley incompetent, Williams replied: "I cannot recall." He would neither affirm nor deny that statement.

The family attorney, Richard W. Barrett, who is of counsel for the contestants, was firmer in his convictions that Mrs. Hartley was incompetent.

He said she came to him in 1926 and discussed the making of a will, but that she "pranced about the office" and "went off the subject so quickly" that he refused to draft her will.

Attorney Barrett revealed that Mrs. Hartley attempted to make two gifts to him, one of 40 acres at Empire, near Modesto, and half of a 700-acre tract on the Foothill boulevard.

Refused Deed

Barret said he "refused to draw a deed accepting the property from her," and explained he believed she was incompetent.

Barrett's son, Richard Barrett Jr., was left $1,000 under the trust.

The family attorney said, under cross-examination by Scott, that he continued to transact business for Mrs. Hartley for another four years, although he said he believed she was incompetent during this period.

He said he proceeded on his own initiative to carry out certain transactions for Mrs. Hartley to get as much as he could for her.

The lawyer said Mrs. Hartley "eulogized" Carl E. Wagner, former local branch bank manager, who was handling Mrs. Hartley's business for her.

Williams said he first learned of the trust in February, 1929. It was prepared on July 3, 1928. He said he came down from Marshfield, Ore., to confer with Mrs. Hartley and Wagner on it.

The trust was gone over, page by page, Williams testified, and he said he was "led to believe I would get between $50,000 and $60,000. I was hoping it would be $60,000," he said.

Williams testified under questioning by Scott that he knew the financial setup of the trust and knew what Mrs. Hartley's property consisted of, and agreed that "it seemed to be a regular trust."

The last letter written by Mrs. Hartley to her foster son, in July, 1928, was introduced in evidence. It told of her plans to go to Los Angeles on a trip and urged him not to let the "kiddies," Mr. Williams' two children, "forget me."

Williams removed from Oregon to Redwood City after this letter was received.

It was handed to the jury by Attorney Scott "for observation."

Board Orders Usage Survey Of Bay Lands

Survey of lands fronting on the bayshore of San Mateo county to determine their best uses and to protect them against prejudicial development was ordered today by the San Mateo County Board of Supervisors.

The survey was asked by Carl Stoner, chairman of the San Mateo county harbor committee.

The harbor group asked the survey to determine in a general way how the major portion of the bayshore frontage will be utilized.

Supervisor John Poole, Redwood City, moved that the survey be made, and Mrs. Rosalie Brown, San Mateo, gave the second. The matter will come before the county planners at the meeting of June 9.

The San Mateo county board today agreed to meet at breakfast in San Mateo Friday at 7:45 o'clock for the purpose of considering the Redwood City harbor and other projects for inclusion in the public works program of congress.

The meeting has been called at the suggestion of the State Chamber of Commerce, which is to forward the state's program to Washington.

Budget Being Studied Here By Councilmen

The 1933-34 budget, in preliminary form, was submitted to the city council Monday night by City Manager E. A. Rolison.

Although handicapped by delinquencies and the state tax moratorium, Rolison is striving to keep the tax rate at $1.10, the same as last year's figure, which represented a decrease of 20 cents from the previous year.

What careful control of expenditures will do is shown in the following figures. While excessive delinquencies together with a general shortage of miscellaneous expected revenues have created a shortage in the present 1932-33 budget of approximately $10,000, this sum has been off-set by watching expenditures. As a result, it is estimated that about $15,000 less will have been spent by July 1 than was actually appropriated in the 1932-33 budget.

The tentative budget, subject to changes after July 1, calls for $174,444.60, or $17,625.33 less than that of last year. It is based upon the $1.10 rate, but anticipated delinquencies have been increased from 10 per cent to 15 per cent for the purpose of conservative estimates.

204 Students Get Diplomas At Sequoia

Five Names Added to Provisional List At Sequoia

NEW MARK MADE

Scholarship Winners And Other Awards Announced

Addition of five names to the provisional list of Sequoia Union High School graduates brought to the record number of 204 the roll of students who were given diplomas at the 36th annual commencement exercises on the high school campus last week.

In presenting the class, Principal A. C. Argo announced it to be the largest ever graduated from the school. It exceeded last year's group by one.

Principal Argo announced the winners of scholarships as follows: $100 Exchange Club scholarship, Donald Peterson; $100 student store scholarship, Catharine Conner; two store scholarships of $50 each to Phyllis Pennebaker and Irene Rixen; Sequoia Girls' Society scholarship of $100 to Helen Dally. He also acknowledged the Las Lomitas Parent-Teacher Association senior scholarship, the winner of which has not been determined.

In presenting the honor medals, Otis M. Carrington announced an innovation in the awarding of student body service medals for boys to twin graduates, Jack and George Schroeder, who tied for the honor. The girls' service medal was given to Ileta Murphy, the third member of her family to receive the award in the past three years.

Other Medals

Other medals given were: Carrington scholarship medal to Helen Dally, Ross debating medal to Alice Geraldine Swift, Williams athletic medal for boys to James McGuire, Argo-Bogie athletic medal for girls to Mary Lavine Stone, Martin Walsh history medal to Marshall Hughes, Drake woodcraft medal to Keith S. Douglass, Drake meticraft medal to Henry August Buchman, and Sequoia players drama award to Henry Kaltern.

Charles H. Merrill, trustee, awarded gold pins and seals of the California Scholarship Federation to Joan Castledine, Richard John Chard, Catharine Homans Conner, Helen A. Dally, Rea A. Manning, Phyllis Virginia Pennebaker, Donald Roy Peterson, Lillian Violet Radivoj and Dorothy Vida Rundle. They were members of the C. S. F. six of eight semesters. Silver pins went to Annie Bobick, Ileta Murphy and George Schroeder for membership at least four of eight semesters.

In presenting diplomas to the record class, President James D. Hedge of the board of trustees congratulated the seniors and complimented the principal and faculty for continuing the high standard of work in spite of increased teacher loads during the past year.

Class Gift

The class gift, a mosaic seal for the entrance of the administration building, was offered by John Merrill, president of the class and son of the trustee.

The graduation address, "The Challenge of Change," was given by three students, Catharine Conner, Jack Scharlin and Joan Castledine, with an introduction by Alice Swift. The three parts included the individual, national and internatioinal aspects of the present-day situation and were summarized brilliantly by Miss Castledine with reference to the forthcoming world economic conference.

Leading the two processions of graduates to the platform were Marie Farmer, president-elect of the Sequoia Girls' Society, and Betty Ambrose, new commissioner of girls' activities.

As the class took its place on the dais, the choral classes sang songs of Sequoia arranged by Mr. Carrington and a Beethoven selection.

The instrumental sololist was Jack Schroeder, who played a trombone number accompanied by Rea Manning.

Other musical selections included those by a group of nine senior girls and a boys' quartet, three members of which were graduated.

A crowd of approximately 2000 parents and friends was in attendance despite the coldness of the evening. A reception followed inside the building.

Traffic and parking in connection with the huge throng were directed by the Redwood City Police Department under the direction of Chief C. L. Collins.

T. T. C. Gregory, who was fatally injured in an automobile accident near Vallejo Sunday night, was a former resident of Menlo Park.

Many Apply For Juvenile Sup't Office

Fitness for Job to Be Test, Says Swart

'NO POLITICS'

Husband, Wife Sought For Post by July 1

Fitness for the office will be the sole consideration in appointing a successor to Miss Florence Kreiss as superintendent of the San Mateo County Juvenile Detention Home, Superior Judge Franklin Swart ruled today.

Politically-recommended applicants for the post will be "disqualified," the jurist, who is in charge of the juvenile court, reported.

The jurist said that considerable confusion has resulted "from the fact that the superintendent of the juvenile home sent her resignation to the board of supervisors."

The supervisors, he said, "have in fact nothing to do with the internal affairs of the detention home."

"We are now being flooded with applications for the position and by semi-political endorsements," Judge Swart said.

"In the interest of avoiding such confusion," the jurist declared, "we deem it advisable to announce that this problem will be carefully considered by the probation committee before any appointment will be made."

"So-called politics or political endorsements will no doubt be considered as reasons for disqualification. The decision will be made entirely upon the qualifications and fitness for the position.

"We hope to be able to find a qualified and desirable husband and wife to take charge of the new home and trust that this may be accomplished by July 1."

Meanwhile, Miss Kreiss today denied that ill health was the cause of her resignation, as was stated in a news story.

"I am not in ill health," said Miss Kreiss. "One of my chief reasons for resigning is that I do not feel that I could be satisfied with the change in location of the juvenile home." Miss Kreiss referred to the old county jail near Broadway and Walnut street, which is being altered to serve as a juvenile detention home.

Moratorium Act Invalid, M'Nutt Rules

Former Judge Buck May Sell Horgan Property

REASONS CITED

Contracts Cannot Be Impaired, Is Opinion

Superior Judge Maxwell McNutt today ruled unconstitutional the state moratorium act passed by the legislature on May 9, 1933, to halt foreclosures and sales under deeds of trust until July 1, 1934.

In doing so, the jurist held that the act is contrary to the provisions of both the state and federal constitutions, in that it attempts to "impair the obligation of a contract."

The ruling came in the attempt of Louis Levin, San Francisco capitalist, to prevent the public sale of the Horgan ranch on the Woodside road.

Levin sought to stay the hand of former Superior Judge George H. Buck and Attorneys Lee and Hall Ross, as trustees, in their attempts to publicly sell the ranch at auction.

Judge Buck was seeking to satisfy a loan of $18,000 and interest and back taxes and costs amounting to about $2,000 additional.

Levin sought to cloak himself under the state moratorium act, although the default assertedly occurred prior to the passage of that measure.

The default was not by Levin, who only recently acquired the property, but by his predecessors in interest.

Settlement Seen

Judge Buck is now privileged to sell the ranch if he so chooses, but it has not been the intention of the jurist to acquire the land and he will probably settle the matter amicably with the other parties.

The jurist has only requested his interest and the payment of back taxes and costs, and these have since been paid into court.

In a memorandum accompanying his ruling, Judge McNutt cited the two sections of the constitutions which he deems the act violates. They are:

Section 10, of Article 1, Constitution of the United States: "No state shall . . . pass any . . . law impairing the obligations of contracts."

Section 15, of Article 1, Constitution of the State of California: "No . . . law impairing the obligation of contracts shall ever be passed."

In reply to the question, "Does the act of May 9, 1933, impair the obligation of a contract?" the jurist ruled that the "question demands an affirmative answer."

"If so," the judge asked, "does this otherwise unforgiveable invasion of the double constitutional protection of the obligation of a contract give way to the exercise of the police power for the general public good?"

It was under the police power that the legislature sought to act.

No Public Aspects

The jurist ruled he "failed to see" any public aspects to a contract by which one person agrees that his land may be sold by another if and when he shall have defaulted in the payment of the principal sum of a debt."

"If a case presents no public aspects," the jurist said," it would seem to be a distortion of reason to say that it nevertheless comes within the purview of the police power of the state."

"Neither constitution says that the obligation of contract shall be much impaired. But each has been held to say that it shall not be impaired at all."

School Survey For Earthquake Safety Ordered

SAN MATEO, June 7.—Trustees of the San Mateo High School district last night ordered a survey of school buildings within its jurisdiction to determine their resistance to earthquakes. The board also appropriated $3500 for the repair of schools.

Harold B. Hammill, consulting engineer, will make the earthquake survey.

Auto Leaps Walk, Woman Is Injured

SAN MATEO, June 7.—Mrs. C. Ames of Burlingame was injured this afternoon when an automobile driven by Joseph McCann of this city leaped the sidewalk and struck her as she was walking near El Camino Real at 13th avenue. McCann was held by police on a charge of drunken driving.

EDITORIALS

UNJUSTNESS MUST END

The voters of the state are urged to vote "Yes" on proposition No. 4 at the special election on June 27 and put a stop to the unjust treatment of private non-profit schools.

California is the only state in the Union which taxes private non-profit schools. Its past policy in this respect has been a blot upon our reputation for justice and fair dealing.

Taxation, in a true sense, is a governmental exaction to defray the cost of government service. No tax can justly exceed the cost of the service rendered, nor can government justly tax for a service it does not render, but which is rendered by a private agency without cost to the government. A tax against a private agency in such a case is in reality a penalty and not a true tax.

Private non-profit schools which render an educational service without cost to the government should not be penalized (under the guise of taxation) for rendering such public service.

Private non-profit schools in California annually educate more than 100,000 children whose education in the public schools would cost the state not less than $12,500,000, in addition to a capital investment for new school buildings of not less than $20,000,000. These schools annually save the taxpayers of California more than 25 times the amount of the penalty tax which the state is now imposing upon them.

This is not fair nor just nor economically sound.

AN ELOQUENT SPEECH

The Congressional Record has been just received at this office. It contains the eloquent speech of Samuel M. Shortridge concerning the debts due and to become due the United States from certain European countries.

The address was delivered the day before the senator retired from the upper house of congress and was one of the ablest ever heard in the senate. It goes fully into the debt question. Shortridge holds that nations, as individuals are, should be bound by their agreements voluntarily entered into.

Menlo Park

Felix McGinniss, vice president of the Southern Pacific, left during the week for a business trip to the East. He will return in about two weeks.

John Morey, son of Mr. and Mrs. Harry Morey, will be united in marriage at a nuptial mass in the Church of the Nativity tomorrow morning at 10 o'clock, to Miss Marian Kearney of San Francisco, niece of Patrick Kearney of Menlo Park.

Maid-of-honor is to be Miss Rose Swords of San Francisco, assisted by Miss Mary Weston and Madeline Morey. The groomsman will be Marion Biggs, assisted by Warren Morey and Joseph Morey. Father Burke will officiate. The honeymoon is planned to be spent in Montana. The church will be crowded with friends of the young couple. Morey's parents were married before the same altar years ago.

Mr. and Mrs. Hubert H. Bearce of Menlo Park left recently for a tour of the East. They were accompanied by their son, Paul, who was graduated Friday from Sequoia Union High School, and their daughter, Esther.

They plan to visit Mr. Bearce's old home in Chelmford, Mass., and his wife's in Minnesota. Their itinerary also includes Chicago, New York and Washington.

Announcement was made Monday by Mr. and Mrs. Arthur H. Redington of San Mateo of the engagement of the daughter, Mary, to Ernest Stent, son of Mrs. Frances Harris Stent of Menlo Park and Ernest Stent of San Francisco.

The bride-elect is a social leader on the peninsula. Mr. Stent graduated from Harvard with the 1929 class and later attended the Harvard School of Business Administration.

No date has been set for the wedding, but it will probably take place in the late summer.

Three more meetings remain for members of Trinity Episcopal Guild before the summer vacation period. The next meeting will be held in Palo Alto on June 12 at the home of Mrs. E. B. Hinds, the second on June 19 with Mrs. Mattie Hill at the Kingscote Apartments, and the last on June 26 at the Atherton home of Mrs. Thomas B. Esty. Sewing for the Stanford Convalescent Home will be completed next Monday. The meeting on the 26th will take the form of a luncheon.

Robert Cooper, son of Mr. and Mrs. J. E. Cooper is spending his vacation with his aunt, Mrs. W. A. Hensel. Mrs. Hensel came up from Soquel last Friday for her nephew's graduation from Sequoia high school.

Mrs. Kenneth Martin and her son, Daryl, motored to the Mt. Gaines Mine near Horonitas last week.

Mr. and Mrs. Sam Lockerbie are leaving soon for Eureka where Mr. Lockerbie has secured a position. The Lockerbies are old time residents and will be missed by their many friends.

The Menlo Park Fire Department held a picnic on the Merrill estate Sunday. The main event of the day was a baseball game between Pat Kearney's fighting Irish and Charlie Smith's All-Stars. The All-Stars won by a score of 22 to 14.

The mothers of the graduates of Central school entertained the class and teachers with a dinner in the school auditorium Saturday evening. Mrs. Henry Martin was in charge of decorations, and Mrs. Lloyd Beach arranged the games.

The Sacred Heart convent closed Wednesday for the summer.

Graduation exercises were held in the Central school auditorium Thursday evening. Fifteen children received their diplomas as follows: William Beltramo, Robert Birchenell, Gum Chuck, Ruth Fieher, Peter Jost, Elinor Lightbody, Lydia Love, Henry Martens, Charles Palmer, Robert Rose, Bruce Smith, Eileen Sullivan, Alexander Thomas, Mily Tupper and Alexander Williams.

At Las Lomitas school 16 pupils were awarded diplomas on Thursday night as follows: Deborah Anderson, Alexander Amar, Edith Billings, Melvin Burkhard, Vincent Cleveland, Estella Hogevoll, Emily Neel, Jack O'Leary, Ronald Patterson, Earle Peterson, Lucille Price, Jean Shepheard, Reid Scott Jr., Kazuhide Takahashi, Evelyn Williams and Gloria Young.

Mayor W. H. Weeden returned from Horonitas and celebrated his birthday with his family. He attended an important meeting in Redwood City as a member of the San Mateo County Harbor Committee. A campaign was mapped out to acquaint the county with the port district plan.

SAVE MONEY THIS SUMMER with The Farm "35"

GOOD BUSINESS alone dictates what the farmer buys today. He is a shrewd, careful investor. He is a keen judge of *practical* values. And because he had special problems he wanted ELECTRICAL REFRIGERATION built to *his* requirements—a FARM REFRIGERATOR. Farmers who have long wanted adequate, uniform ELECTRIC REFRIGERATION are deciding it is just *good business* to have it.

Farm-killed meat, kept "cool" by old fashioned methods, may be a menace to health and is often without juice or flavor. Proper hanging eliminates wasteful trimming and improves texture and flavor. The FARM "35" provides ample room for sides and quarters at lowest cost per cubic foot. University designed models are also available up to 125 cubic feet.

With other produce too, safe, 50 degree CONSTANT COLD is necessary to prevent spoilage-waste. It is your best assurance of top prices for "extra fancy" perishables. It is your guarantee of food, *consistently* fresh and wholesome, for your family. The FARM "35" AUTOMATICALLY maintains the *right* food-preserving temperature—below the 50 degree danger line.

All this and much more you can expect from these *practical* FARM REFRIGERATORS. An investigation will convince you that they are a money-making, money-saving necessity. Sensible design and extra sturdy construction make them a life-time investment. Attractive terms may be arranged. Write or telephone the nearest P. G. and E. office or see your Frigidaire dealer.

At half the cost, a good *Ice* refrigerator will give you twice the food capacity of the cheapest mechanical substitute. And more than that, it will give you twice the food protection. For *Ice* not only keeps food safely cold . . . it *prevents it from drying out.* And, since your *Ice* refrigerator has no moving parts to wear out, it is *virtually a lifetime investment.*

Phone or ask your *Ice* man about the gleaming white, enamel lined, 8½ cubic foot *Ice* refrigerator illustrated above. It's now priced amazingly low at $46.25. Other 1933 models from $23.50. Easy terms. Generous allowance on your old *Ice*-box.
